CUSTOMER NO. 82998

Dear Sir:

Submitted herewith is a Petition to Correct the Name of the Assignee in the above-identified patent application under the provisions of 37 CFR § 3.81(b), along with the requisite Request for a Certificate of Correction under 37 C.F.R. § 1.323.

The application was allowed on October 14, 2008 and the issue fee was paid on January 14, 2009. On the Issue Fee Transmittal (Form PTOL-85), there was a mistake of a clerical or typographical nature in the listing of the Assignee. The name of the Assignee was inadvertently listed as "AT&T Intellectual Property I, L.P." but the correct name is "AT&T Intellectual Property I, L.P."

Pursuant to 37 C.F.R. § 3.81(b), the Applicants assert that "the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent."

It is therefore respectfully requested that the patent issue with the Assignee's name correctly identified or that a corresponding certificate of correction under 37 C.F.R. § 1.323 for correction of clerical errors in the application be issued accordingly. A proposed Certificate of Correction is attached hereto.

By this correction, as set forth above, such mistakes have been corrected in good faith.
The Applicants assert that no new matter is added.

The patent was assigned to the **AT&T Intellectual Property I, L.P.** at Reel/Frame:
022157/0602, respectively on December 2, 2008, **prior** to the issuance of the application.

A credit card authorization form (via EFS web) for the processing fee set forth in 37 CFR
§ 1.17(i), which is currently \$130.00 and the Certificate of Correction fee set forth in 37 CFR
§ 1.20(a), which is currently \$100.00, is attached herein along with an Authorization to Charge
any fee deficiencies and/or credit any overpayments to Deposit Account No. 50-3537.

Respectfully submitted,

MORRIS, MANNING & MARTIN, LLP
